MediClean

NEW Mediclean® AP 700 Air Purifier

Ultra-Quiet, Powerful with UVC Protection

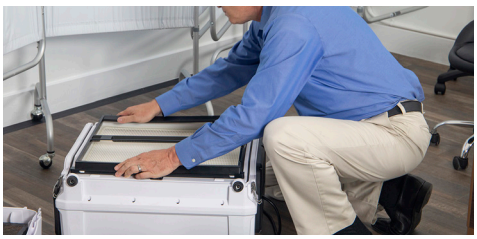

Deliver the best protection with the AP 700's Filter Change Sentry™ and antimicrobial-infused housing

- True HEPA 99.999% efficient filter with DOP compliance – passes stringent tests for containments and sensitive air filtration projects
- Help protect occupants and technicians with UVC LED that attacks viruses and bacteria on the HEPA filter
- Antimicrobial additives in the unit's housing help inhibit the growth of bacteria and mildew
- Quieter performance keeps occupants from turning it off
- Remove odors, fumes and smoke with activated carbon filter option
- Monitor and control on site with Dri-Eaz NEW Command Center 'COMMAND HUB'
- Simple negative air setup with precise variable CFM and easy ducting options
- Filter Change Sentry shows when the HEPA filter needs changing, on-screen

Item - 128518 - 110V
128615 - 230V

BUILT IN USA
WITH GLOBALLY SOURCED MATERIALS
